Caltrans and emergency contractors are working 24 hours a day to reopen closed roads as quickly as possible. Motorists are strongly advised not to pass barricades onto closed roads. This action may cause harm to you and your passengers along with road crews. Road openings can be delayed when motorists drive on unopened roads which results in further deterioration to pavement.

This information will be updated when available.

Motorists are advised to drive with caution and check road conditions before your trip. Please call the "Road Conditions Hotline" at (800) 427-7623 or Public Affairs at (909) 383-4631. You may also check road conditions on our website at www.dot.ca.gov/dist8.

Stay alert – stay alive and ***SLOW FOR THE CONE ZONE!***
